

Key research studies on arts and health

The author of this bibliography acknowledges the work of 'Strategy Options in Arts and Health' May 2007, prepared for the Australia Council for the Arts by the Faculty of Architecture, Building and Planning The University of Melbourne; Program Evaluation Unit, School of Population Health The University of Melbourne; and Brotherhood of St Laurence.

Topics covered

- 1 Value of arts and health
 - Health and wellbeing benefits
 - Economic benefits
 - Evaluations
 - Literature reviews
- 2 Culture, community arts and health
 - Australian studies
 - International studies
- 3 Arts in health settings
 - Australian studies
 - International studies
 - Environments
 - Health care delivery
 - Surgery

1 Value of arts and health

Health and wellbeing benefits
